ABOUT ME

As a third-year BTech student at St. Joseph's College of Engineering and Technology, Palai, I am passionate about leveraging my skills and experiences to excel in the field of engineering. Currently, I have a strong background in leadership and design, having served as a Campus Co-Lead at Mulearn and as the Design Head for NSS. Additionally, I am an active member of the IEEE design team, where I contribute to innovative projects and foster creativity.

WORK EXPERIENCE

Mulearn

co-lead

I having served as a Campus Co-Lead at Mulearn SJCET Palai. I have been taken these responsibilities from 2nd year of my degree, also was an execom member in mulearn at my first year.

NSS

Design team Head

working as a design team head in NSS SJCET Palai, and was a designer in 2nd year.

IEEE

Design team member

I am working as a design team member in IEEESB SJCET Palai, for 3rd year to upgrade my design skills with experience.
